THE GRADUATE SCHOOL CHECKLIST

WHY

- [ ] I'm playing the long game and want to use this longterm in my career growth.
- [ ] I know what I want my focus to be and am seeking that concentration.
- [ ] I'm not looking for graduate school to fundamentally change who I am as a person.
- [ ] I am not going to graduate school to find myself.

WHEN

- [ ] I have 5 years of work experience.

WHAT

- [ ] I will work while going to school.
- [ ] I will leave my job and go to school full-time.
- [ ] I will go to school nights.
- [ ] I will go school on weekends

HOW

- [ ] I will have my company pay for my graduate school.
- [ ] I know exactly how much I need my company to sponsor each calendar year I'm enrolled.
- [ ] I have, in writing, how much the company will sponsor each year.
- [ ] I am willing to work 2 years post graduation with this company to pay off tuition reimbursement.
